

March Newsletter

Welcome to our March newsletter!

Thank you to all of those that were able to attend our open evening, it was great to see so many of you there! If you were unable to make the open evening and would like any information on the topics covered (use of dummies, toilet training, safe sleep, school readiness, behaviour support, healthy/safer eating, ideas for home learning) please speak to your child's key person. It would be great to have some feedback from parents on how you felt the evening went. Please email any comments to

andover@littleworldnurseries.co.uk

We will be sending out funding forms for the summer term ahead (April-August) over the next few days. Please support us by completing and signing them promptly so we can complete all necessary checks ready to claim the funding.

A reminder to parents that funding codes need to be renewed every 3 months, you should receive a reminder email from HMRC but please do check.

Important Reminder

Please drive slowly when entering and leaving the car park, it is busy and there are children about who may not always be easily seen. When parking, please park sensibly to allow as many others to park as possible. Thank you!

Sky has been offered an incredible opportunity to teach dance in schools and has decided that she would like to embrace the new adventure. She hasn't been with us long but has made a real impact in Winnies and we will miss her very much. Good luck Sky!
