***Repeated late payment of fees will result in sessions being suspended until the account is cleared***

### Funding

We accept 15 and 30hours childcare for eligible working families in England for children aged 9 months to 4 years. We offer the funding on a 'stretched' basis 51 weeks per year, delivered as 11 and 22hours per week.

Funding is given for children to access standard provision only. As a nursery, we must use it to adequately deliver the EYFS curriculum. This includes things such as small world figures, role play, puzzles, books, loose parts, construction, craft supplies and staffing to meet minimum government ratios.

Government funded hours will only be claimed during the Core session where the EYFS curriculum is delivered

### **Additional Service and Enhancement Fees**

When accessing funded hours, we make a charge called additional service and enhancement fees to cover everything that the funding doesn't provide. This includes all of the extra experiences we offer within our service throughout the year as well as nappies and food (2 snacks and a 2 course lunch) Additional service and enhancement fees cover things such as cooking activities, science experiments, planting, zoo lab visit, zumba and sports instructors, parties, stay and plays, sensory room experience, additional staffing for walks in the local area, boogie mites and phonics programmes as well as much more. The charge allows us to purchase additional resources and equipment to enable additional experiences such as hi viz jackets, waterproof clothing and sensory equipment.

Funded childcare- Additional Service and enhancement fee per funded hour	£1.50
--	-------

*If opting out of paying the additional service and enhancement fee – please refer to the Additional service and enhancement fee schedule*

***Recommendation Voucher on secured bookings £100.00***
